

705-715

Great was the glory of Islam
in the days of Khalid WALID (705-
715), the successor of Abd el-Malik
and will were those days in the
history of the Christian empire

705

Return and restoration of Justinian II.
Reign of terror to 711.
Wahid succeeds Abd el-Malik to
715.

705-715

During reign of Walid (705-715), a great patron of architecture, the Muslims erected a Mosque there. The Great Mosque was then built in its present form. It comprises a vast open court, measuring $430 \text{ ft} \times 125 \text{ ft}$ surrounded by stone arcades, that on the South side opening into the Mosque proper.

the down covered in snow ordinary.

705

Abd el-Malik died. Islam was
already casting greedy glances towards
the shore of Spain.

SOL

Wald succeeded at what might
 fairly be reckoned a formidable
 moment. There was no danger
 of his being the Khabarov. He had
 made H.A.V.A.J., who had
 counted by degrees the important
 evidence in scale
 and first to the end of the half.

705-711

Justinian II was Byzantine Emperor
again.

705

701-705

1912 Dates J-BK
